October 5, 2025

I. We were dead in sins and trespasses. (verses 1-3)

II. We are saved by grace through faith. (verses 4-9)

III. We are His workmanship. (verse 10)

1. Read Romans 5:1-5. What actions and conditions are taking place in a believer's life? Notice the role of faith and grace.
2. Read Psalm 103:1-14. What does this scripture teach us about God? About us?
3. Read James 2:14-26. What does this say about faith, grace, and works?
4. As God's workmanship (Ephesians 2:10), what steps of obedience is He calling you to take?
