

The Promise: “God Meets Our Needs”

Ruth 2:1-12

March 10, 2024

I. God is always faithful

II. Having eyes to see the needs around you

1. We must see the needs.
2. We must take an honest look at ourselves.
3. We must ask God to give us eyes to see.

III. Having the heart to meet the needs around you

1. We must get past empty sentiment
2. We must get past excuses
3. We need to get up and GO!

LET’S GO DEEPER:

1. What do we learn about ministry from Luke 10:30-37 and Matthew 8:1-17? What do we learn about how God meets needs from these passages of Scripture?
2. What do we learn about love and compassion in the lives of Boaz, Ruth and Naomi?
3. How does the Book of Ruth point forward to Jesus' ministry and work as the Savior?
4. What are the things that can keep us from fully seeing and meeting the needs of others in our circle of influence?
5. What is going on right now, either in the world or personally, where it is hard to see how God is at work?
