The Foundation of the World: "Poetic Justice"
Genesis 29
November 1, 2026

I. The fugitive finds a family. (1-14)

II. The deceiver is deceived. (15-30)

LET'S GO DEEPER:

1. How can we see God working in Jacob's life in verses 1-14? (Remember the lesson of Genesis 24:27).
2. Read Proverbs 22:8 and Hosea 10:13. What does it mean to "reap what we sow"?
3. How does God use "poetic justice" to discipline us?
4. How is God advancing his redemptive plans in Jacob's life in verses 15-30? How can God use sinful schemes to accomplish his purposes?
