September 20, 2026

I. What is God’s plan? (1-9)

II. How does God guide? (10-61)

III. Where is God’s blessing? (62-67)

LET’S GO DEEPER:

1. What is Abraham’s plan in verses 1-9? How do Abraham’s instructions show mature faith in God?
2. What are some of the places we turn when we need guidance? How does God guide people in this chapter?
3. Imagine you have a big life decision to make (like a new job). What kind of guidance does God give to help us with those decisions?
4. What is God’s providence? What ways can you see God working in your life, in the church, in the world?
