

The Foundation of the World: “Corruption”

Genesis 6

March 22, 2026

I. Bad Intentions (1-5)

II. God’s Intentions to Judge (3, 5-7, 13)

III. God’s Intentions to Save (8-22)

LET’S GO DEEPER:

1. Although many things in Genesis 6:1-5 are hard to understand, what messages are clear?
2. Based on this chapter, what is wrong with the world? What is God’s response to this problem?
3. Look at verses 8-10 and 22, and describe Noah. How does Noah teach us what it looks like to “walk with God”?
4. Jim Hamilton has said that the Bible is about “God’s glory in salvation through judgment.” How can you see that in this story? How can you see that in Jesus?
