

Blueprint for the Church: "A Framework of Prayer"

Ephesians 1:15-23

August 10, 2025

Paul prays for the saints to know:

- I. The hope to which He has called you. (verse 18)

- II. The riches of His glorious inheritance in the saints. (verse 18)

- III. His incomparably great power for us who believe. (verse 19)

LET'S GO DEEPER:

1. Paul prays for the saints in Ephesus in very specific ways. Who is God calling you to pray for? What specifically will you pray?
2. Read Ephesians 1:17-23 slowly and carefully. Note how many times the words He, His, and Him are stated. What actions are the Ephesians called to? What actions are God the Father, Son, and Holy Spirit performing?
3. Read Revelation 2: 1-7. What was their sin? How were they to deal with this sin?
4. Read I Corinthians 12:12-27. What truths are taught in this scripture? How will you submit to and obey these truths?
