II. The Creation of Woman (18-23)

III. The Creation of Marriage (24-25)

LET’S GO DEEPER:

1. How does God create the man in verse 7? What does that teach us about who we are as humans?
2. What mission does God give Adam in verses 15-17? What do God’s first commands teach us about God and our relationship with him?
3. According to Genesis 2, how are men and women similar? How are they different? Talk about how God’s design for us as men and women is good.
4. What does Genesis 2 teach us about marriage (especially verses 22-25)? How can we encourage healthy and strong marriages?
