

The Foundation of the World: “A New World”

Genesis 8

April 26, 2026

I. God remembers (1-5)

II. We wait (6-12)

III. God welcomes (13-19)

IV. We worship (20-22)

LET’S GO DEEPER:

1. Read Genesis 8:1 and Exodus 2:23-25. What does it mean for God to “remember” us?
2. In Genesis 8:6-12, Noah has to wait for the waters to fully recede so that he can disembark. What does it look like for us to wait faithfully for God?
3. How does God welcome Noah into a new world in Genesis 8:13-19? How does God welcome us through Christ? How can we extend that welcome to others? (Consider Romans 15:7)
4. How does Noah begin his life in the new world in Genesis 8:20? What does Noah’s worship teach us about our worship?
