

The Foundation of the World: “Kings and Priests”

Genesis 14

June 21, 2026

I. The Warring Kings (1-12)

II. The Rescuing King (13-16)

III. The Priest-King (17-20)

IV. The Wicked King (21-24)

LET’S GO DEEPER:

1. Why does Moses give us so many details about the warring kings in verses 1-12?
2. How do verses 13-16 describe Abram? What motivates him? How does he function in his world?
3. Read Psalm 110 and Hebrews 5-7. How does Melchizedek help us understand who Jesus is and what he accomplished?
4. How does Abram’s interaction with Melchizedek in verses 17-20 prepare him to respond to the King of Sodom in verses 21-24? (Look especially at the name of God that both men use in verses 19 and 22).
