LET'S GO DEEPER:

1. Why is Jacob running away? (1-16) What does God call us to "flee" from? (Read 1 Corinthians 6:18 and 10:14)
2. What does God want us to learn about idols from verses 33-35? What does it look like today for us to worship "little gods"?
3. How does Jacob respond to Laban's accusations? (36-42) What (or Who) makes the difference for Jacob in this conflict? (42)
4. How might Israel have seen similarities between God's deliverance of Jacob and their deliverance from Egypt? Can you see similarities in how God delivers us from our enemies?
