## LET’S GO DEEPER:

1. What does it mean that Christ is unchanging? How does His unchanging nature relate to our relationship with Him?
2. With what various strange teaching does culture confront you? How are these teachings different from the one true and unchanging faith and message of Jesus?
3. What does the author have in mind when he encourages his readers to offer the sacrifice of praise?
4. How are our submission and obedience to our church leaders contingent on the substance of what they teach? Why is it important to submit to our leaders with joy?
5. What can you learn about prayer from the way the author closes the letter in verses 20-21?
