Going Deeper:

1. Make a list of all of the things God did in bringing Israel across the Red Sea. Why are all of the details of the account of the crossing of the Red Sea important?
2. How are Jesus, God's work in salvation and the gospel foreshadowed in the exodus from Egypt? How does this influence how we read the rest of the Old Testament?
3. How should we view attempts to explain away the miraculous events in the scriptures, like the parting of the Red Sea?
4. What are the ways that Israel was challenged to exercise faith in Exodus 14? Is there something going on in your life where God is calling you to exercise your faith in Him?
