

Deliverance from Marine Spirits

This prayer is for those who have served or have any family members who served in the USA navy as sailors or as pilots and crossed any of the maritime boundaries listed below. If so, you will want to pray this prayer to break all dedications and baptisms to these Marine and animal spirits. Also, if you have been on any cruise ships that have crossed these maritime boundaries, you will want to pray this as well. Please read this through before you pray it, and when it is time to pray this prayer, make sure you have someone praying with you or for you.

Father, in the name of the Lord Jesus Christ, I come to you right now, acknowledging you as the God of Abraham, Isaac, and Jacob. You alone are Lord and King of the universe; you have created the earth and the fullness of it.

Father, I come acknowledging that I have had family members who served in the navy as sailors, aviators or marines for our country who have crossed over these specific areas either by plane or by water and took specific vows, oaths, dedications, and baptisms in vile trash while serving our country in accordance with each place they visited.

I come on their behalf and repent now for every vow, oath, initiation, dedication, and baptism that has taken place while they served on these ships, whether in times of war or peace. I choose to forgive those in authority who enforced these vows, oaths, initiations, dedications, and baptisms. I forgive them for the trauma that was inflicted in my DNA and RNA, through shame, ridicule, rejection, mocking, bullying, and perversion.

I repent for bowing to King Neptune Rex and the calling of him Lord. I repent for accepting the invitation to come into his courts and receiving the “solemn order of the ancient mysteries of the deep.” I repent for giving into the ancient order of the deep domain of Neptunus Rex. I repent for mine and my family’s involvement in taking the name and identity of polliwogs or slimy polliwogs. I repent for myself or family for taking on the new identity as Shellbacks, Trusty Shellbacks, Honorable Shellbacks, or Sons of Neptune.

I repent for becoming as one with his subjects like the mermaid, mermen, whales, sea serpents, porpoises' sharks, dolphins, eels, skates, suckers, crabs, lobsters, octopus and all other living things in the sea.

I repent for the worship of the Golden Dragon and becoming one with the mermaids, Flying dragons, spirits of the deep and devil chasers, and all others in the yellow seas, when me and my family crossed the 180-meridian line. I also repent and renounce for coming into agreement with Chit signers, squall men, opium smokers, icemen, money lenders, wine sellers, cabaret owners, and cat house managers.

I repent for fear of falling into the water and covenanting with the marine spirits to protect me instead of the Lord Jesus Christ.

I repent for and renounce my family's involvement in any of the following fraternities and clubs.

(The parentheses are for clarity no need to pray them)

- Order of the Blue Nose and renounce the Domain of the Polar Bear (for sailors who have crossed the Arctic Circle.)

I break and make null and void spiritual marriage contracts and covenants with satan. I renounce the lies associated with these rituals and contracts that they made in jest.
