## Spoken by Pastor John Carter

Now let's just thank the Lord and give Him praise for that right now. Hallelujah. Thank you, Father. Thank you, Lord Jesus. Thank you, Lord. Jesus. Hallelujah.

### **PREPARATION, REFLECTION, REMOVE, RESTORE, RENEW, REVEAL.**

For we are entering into a month of preparation. A month of reflection a month to remove, a month to restore, a month to renew. A month for the Lord to reveal. For the next four weeks are very important in the timetable of the Lord even five weeks, for this month of August.

The Lord would say it is a time to set in order the things that are lacking. It is a time and there is a grace to do this, to prepare, to get your house in order, these are just a variety of things. This isn't, this is what I'm seeing. I'm not going to prophesy as the Lord is saying it.

When He says get your house in order, I'm seeing insurance, you are shopping your insurance and getting the best rate. I see refinancing mortgages. I see consolidating debt. I see paying things off. I see getting rid of the weight that you don't need, reducing.

It's a month to sell things. It's a month to ask for things. For you will have favor in this month, and there are people and relationships that you have even now, not just with people in the church, but in the world.

And if you ask, you will receive. It is a month to ask the Egyptians for the wealth and for the opportunities because you'll have favor and you'll receive it. And in this month, and I'm not going to prescribe everything, but the Lord would say, and you'll bear witness to this as I'm saying this.

The Lord would say this, in this month, there is just business to finish and get it ready, get prepared. Because as you prepare and finish what I already told you to do, or what I'm about to tell you to do, you will be positioned to be revealed for this is a reset, not only the earth but at the church and the body of Christ. And it is a reset for you not against you. This is an opportunity.

The Lord would say that for the church, this is an opportunity. And so busy yourself, not with interpreting all the events in the world.

Busy yourself, not with trying to shape the narrative of the conversation of what's happening in the earth for no, man will be able to predict all that will come in the months that are yet ahead. No man will see it. And it will be again, a surprise.

### **GREAT BLESSING FOR THOSE WHO ARE PREPARED AND READY.**

But I have appointed for my people who are prepared and ready, great blessing, even in the times to come. So get ready, says the Lord, do the things that I've already spoken to you. Finish the things that I've put on your heart to do.

Things that you are to finish practically, things that you are to sell, things that you are to sow, things that you are to save. Sell, sow save. Sell, sow, save. Financial preparation, reduce the unnecessary, build up the resources for I will give you opportunity and wisdom (Mic drop) in this.

And as do what's in my heart and you finish the things, the projects that I give you to do, you're going to have margin to repeal what's next.

For there is coming after the removal, after the rest, there are things that you've let go of you need to get back. You need to restore habits and practices, daily prayer. What I just said, everyday getting up and reading the word, getting your heart set on the word, every day, hallelujah. Every single day.

Yeah. Praise God (mic swap). Every single day make it a habit, getting up before you get up and giving that first 30 minutes or whatever to the Lord and letting Him speak to you. Restore that in your life that's been lost, restore the Sabbath rest.

Don't worry about, "Oh, I've got to get all this done this summer", in terms of pleasure and entertainment. And I got to get my vacation and yes, you know, those might be part of it, but it's really important that you are like, the Bible says, I don't know if it says go to the ant. In the book of Proverbs, it talks about believe it's, it's an animal that prepares in the summer for the winter, prepare in the rest of the summer for the winter.

And you'll be blessed in the winter. You'll be blessed because you'll be in position. You'll be in position to take advantage of opportunities that the Lord is going to reveal, for God is being very gracious in this season. Hallelujah. Yeah, yeah.

Do that which is in your heart. Four weeks, even five. Tongues. In your affairs, in your finances, in your family, in your faith, hallelujah.

And in the work to which you've set your hand. For the Lord will give you grace, even in this month. Great grace and great focus, for there are many distractions that aren't there now. There are many distractions that I've taken off the table.

So, keep them off the table and do the things that have been building up, get them done. Hallelujah. Sell what I tell you to sell, save what I tell you to save, and sow what you need to sow, and you'll be ready. Hallelujah.

## **RENEWAL, RESETTING, REFORMING, REPOSITIONING OF THE CHURCH.**

For I've appointed this time and the time that is coming, not to be a time of the destruction of the body of Christ, but for the revelation of the church, the renewal of the church, a resetting, a reforming of the church of Jesus Christ and a repositioning for the world that is yet to come.

So, realize I've appointed good things for you. For they're the things that you've been doing that you've known to do, and you've done them with all your heart.

But even now you can see, you can see it was getting weary because we're even in this ministry, a treadmill, but the Lord wants us to reform for what's yet to come, and he'll show us how to do it. Hallelujah. Don't be in fear but trust the Lord and follow what he says. And you will be blessed. Thus, sayeth the Lord. Hallelujah, praise God, praise God, praise God.

## **PREPARE FOR SUDDEN OPPORTUNITIES AND CASH**

And if you believe me for it, if you ask for it, I'm going to do some pretty amazing things. I'll even give you some of you that are even sitting here today. You'll receive sudden opportunities and chunks of just cash you didn't expect.

And when it comes in, prepare now for what you're going to do with it, to save it or to sell it or to pay off debt to get into a position where you can do what he wants you to do next. Even if you don't fully know what it is.

For this is a month of stewardship. Be a great steward of what you have now. Get it fixed, get it repaired, get it in order, get it efficient. And then you'll be ready to take advantage of what's next, in Jesus name. Hallelujah.

Father help us help us to see clearly and to hear your voice, we expect, we tie ourselves with expectation to your promise; that you've appointed us to receive breakthrough deliverance and blessing through our Lord Jesus Christ, in Jesus name.

## **GRACE TO REMOVE HABITS, BEHAVIORS, WEIGHTS**

One last little piece. And this month there is a grace to remove. Remove habits, remove behaviors, remove weights that have beset you that have just not been productive.

Lean into it and expect that grace, because you're going to have a special grace, you know, to make the personal changes you need to make, to remove the things that need to be taken away, that are just weights that beset you.

There's going to be a grace to lay them aside. So this month jump in. If it's laying aside, you know, getting your body in order, getting your mind in order, getting your character in order. There's going to be a grace to do it in a plan and just, just lean into it and you'll be blessed. Hallelujah.

Thank you, Father. Well, let's give him praise. We worship you, Lord. We bless you. Give us ears to hear and grace to follow. Hallelujah.

Lord, I pray the prayer of the apostle Paul, give us grace that we might serve you acceptably with reverence and Holy fear in Jesus name. Amen.
