2	What does John 15 teach us about our life? What does it mean when Jesus says, "apart from me you can do nothing"?
3	Have you ever tried to serve, lead, or share your faith apart from prayer? What was that experience like compared to when you were prayerful and dependent on God?
4	When you think about multiplying disciples, do you naturally depend on your own strength/skills, or on prayer and God's power? Why?
5	Are there people in your life you are regularly praying for? What is it like to pray for people over a period of time?
6	How have you personally experienced answered prayer that grew your faith or helped someone else grow in theirs?
