

MOSES - WEEK 1

DISCUSSION GUIDE

1	Where do you see God at work in the beginning of Moses' life?
2	Have you ever looked back and seen how God orchestrated details in your own story that prepared you for later opportunities?
3	Moses was raised in Pharaoh's house but identified with the Hebrew people. How do you think this tension shaped him as a leader?
4	Moses flees to Midian and spends decades in obscurity. Why do you think God often forms people in hidden, quiet places before using them publicly?
5	How might God be using your current season — whether busy, hidden, or confusing — to prepare you for future influence?
6	How can you find places to pursue God this week?
