

# AUTHENTIC INTELLIGENCE - FAITH

## DISCUSSION QUESTIONS

1

How do you use AI? How has it altered, changed, or impacted your life?

2

How would you describe faith? What is it? How do you know when you've put your faith in something?

3

What is the fruit of authentic faith? What is the fruit of artificial faith?

4

When was a time your faith changed or impacted your actions?

5

If James writes that "faith without works is dead" what are works without faith?

6

How can we ensure faith is fueling our works, and we aren't just working to be seen or celebrated?
