

MULTIPLY - WEEK 3

DISCUSSION GUIDE

1	Why does our faith need both baptism and teaching? How do they compliment one another?
2	Why do you think Jesus linked baptism so closely with making disciples? What does baptism symbolize, and why is it important for new believers?
3	Have you been baptized? If so, how did that experience shape or confirm your faith journey? If not, what questions or thoughts do you have about baptism?
4	Being a disciple maker is costly. What are some of the things it might cost you?
5	Jesus didn't just say to "teach" but to teach people to obey His commands. What's the difference between knowing Jesus' words and actually obeying them?
6	In your own life, what opportunities do you have right now to "teach others to obey"?
