

Embrace the Chaos
Isaiah 48:12-22

Why is the Christian life chaotic?

- I. We minimize our sin
- II. We minimize our savior

Application Guide:

1. What areas in your life do you have a hard time recognizing your sin?
2. What past events in your life do you still cling to that disrupt your ability to move forward with Jesus?
3. What is Jesus trying to teach you about himself today? What is your proof?
