Pastor Josh Tancordo and Family:

"Spring is a wonderful opportunity to remember the way in which God gives us new life in Christ. He takes what is dead and causes it to spring forth with new vitality. "Therefore, if anyone is in Christ, he is a new creation. The old has passed

away; behold, the new has come" (2 Corinthians 5:17). Praise God for his life-giving grace! As we think about this past month, we're profoundly grateful for many of the other ways in which God has been gracious to us as well. As you can see pictured above (and in more pictures on Facebook), we held our third Free Oil Change Event in our church's parking lot. During a period of three and a half hours, we changed the oil of 37 vehicles! While people were waiting for their oil to be changed, we hosted them in our client reception area and had specific volunteers designated to interact with them. We also gave them gift bags with various goodies as well as Gospel of John booklets and "Two Ways to Live" gospel tracts. The next day, we had at least 3-4 family units (that we know of) attend the worship service! One lady, named Windy, even signed up for our church's Membership Information Class."

Prayer Requests:

- "Please pray that God would bless our ministry to these families and that we'd see him work in amazing ways in bringing them to saving faith."
- "Please pray that God would use the membership class to bring tremendous spiritual growth in people's lives and clarity about their next steps. The class is offered once every six months and lasts for four weeks (meeting 90 minutes each Saturday morning). We currently have 23 people signed up for the class. One of the most exciting things about this particular class is that, not only do we have Windy in it from our recent oil change event, but we also have another lady, Kelly, from a previous oil change event."
- Kelly has been attending our church on a regular basis and also attends small groups (which we do on weekday evenings). It seems as though God has been working in her life in marvelous ways, and she's emphasized several times recently that she desires to be baptized. Please pray that God would continue working in Kelly, her husband, and her two girls and would give us clarity about how to proceed with baptism and membership.
