**Missionaries**  
**Pastor Barry King and Family:**

MARCH: "Barry King is the pastor of Dunstable Baptist Church and the General Secretary of Grace Baptist Partnership in the United Kingdom. He and his wife Frances along with their children have served there for over ten years. The mission of GBP is to grow leaders, plant churches and reach nations by assisting

churches in the planting of more churches. So far there are nine churches in the partnership with opportunities to add more... The threat of weariness aside, Dunstable Baptist Church is certainly doing much good. They are stretched: presently they are supporting another church in Dunstable as well as other churches in Edlesborough, Linslade, and now a church replanting project in Wimbledon. But they are not stressed... Isaiah 54:2 says, "Enlarge the place of your tent, and let the curtains of your habitations be stretched out; do not hold back; lengthen your cords and strengthen your stakes", and the church at Dunstable seems to have taken up a ministry of similar characteristics, "lengthening cords" as they extend their witness, and "strengthening stakes" as they establish their witness. They are seeking to establish the witness in Dunstable through various practical means with long term gospel impact, including but certainly not limited to modernizing their building and purchasing a manse that will house their pastor now and in the future. At the same time, they are seeking to extend the witness of the church through efforts in church planting and revitalization."

**Prayer Requests:**

- "Pray that Dunstable Baptist Church will be able to be stretched without being stressed, maintaining joy and peace."
- "Pray that the church will strike the right balance between establishing the witness locally and extending the witness further afield."
- "Pray that the church will not grow weary in doing good, assured of the promise that in due season they will reap a harvest if they do not give up."
- "Pray for additional elders and deacons to be recognized among them in the coming year with the increase of ministry opportunities."
