### Lessons From The Midst Of The Storm

- What stood out to you from the sermon this week?
- Read Matthew 14:22-33.
- The wind was strong blowing the boat to the middle of the sea, the waves were large and it was 3am when the disciples saw what they thought was a Ghost walking on the water... they were terrified! Jesus responds with a calm assurance. And then Peter does something unthinkable. Share your thoughts about Peter's request and decision to step out of the boat.
- Do you believe God uses the storms in our lives to perfect our faith and trust? To get our attention?
- Are you more like Peter, ready to step out and follow Christ with faith alone? Or would you find yourself seated firmly in the boat, or are you a part of the crowd back on the shore?
