

Prayer Prompts...

- Have you spent time with God today to express that you love Him?
- What sins do you need to confess today and turn from?
- What is the top thing on your prayer list this month?
- What have you already seen God do? Stop and thank Him again for answering your prayer and providing/working in your life/situation.
- Who are you praying for? And for what?
- What has your prayer been for God's church here at Temple?
- Ask God to show you what you are to be doing for Him here at Temple...whether through serving, being a small group leaders, helping with children's and/or student ministry, serving on Sundays, beginning to tithe and give faithfully to His church, etc...
- Spend a moment praying for Joshua and Megan Phiri and what God is doing through them in Zambia? Ask God to show you what your role might be in supporting this couple and the mission work they have been called to.
- Have you been praying about Temple being a sending church and for God to give clarity in considering Clinton & Deanna Morris?
- Ask God to speak very clearly and boldly in this place this coming Sunday. Ask Him to draw people to salvation, to add to His church body here, and to revive His church at Temple.
- Pray with me...Even so, Lord Jesus come! (**Revelation 22:20-21**)
