BOTTOM LINE

We are all invited to get to know Jesus.

SCRIPTURE

Luke 2:2-20 NIV

GOAL OF SMALL GROUP

To encourage students to have a personal relationship with Jesus by accepting His invitation to get to know Him for themselves.

THINK ABOUT THIS

This week's conversation extends an invitation for students to take a step to get to know Jesus. For some, this may be the first time they decide to follow Jesus or start a relationship with Him. Be sure to celebrate those who make any step toward Jesus this week, big or small. Any step like this is a really big deal for their lives!

This guide below is a suggestion, not a formula. Adjust the questions and activities as needed, and don't feel like you need to do, or ask, everything you see here. If you have any questions or problem don't hesitate [email](#) Shane.
