### **QUESTIONS TO CONSIDER**

1. Has your unforgiveness imprisoned you from feeling the freedom you have in Christ? Who do you need to forgive so that you can take hold of that freedom?
2. When was a time in your life when you allowed unforgiveness to poison your attitude, your joy, and your peace? How can you avoid putting yourself in a similar situation in the future?
3. In what ways has unforgiveness inhibited your spiritual growth, whether currently or in the past?
