1 Corinthians 9:23

Romans 10:13-15

To have right priorities, we need to be real about sin.

Acts 24:16

Luke 5:32

Knowing and doing are two different things.

Philippians 3:8

Matthew 6:19-21

- When was the last time you really considered the order of priorities?
- Have you considered what is at stake with your priorities?
- What sin do you need to be real with that is disrupting your priorities?
- Does your life align with what you confess about who Jesus is?
