- **Every single word of scripture has been God-breathed** – God does not waste words. Each word has its own merit.
- **The word of Yahweh is “more sure” than our experiences-** We can be deceived by what we witness, but the only deceit in scripture is between people. Our lives should be truth-based.
- **Reading testimonies can be encouraging–** Reading the bible is reading Yahweh’s testimony and helps us uncover His promises to us.

The judgments of Yahweh are true; they are righteous altogether.

¹⁰ *They are* more desirable than gold, even more than much fine gold;

Sweeter also than honey and the drippings of the honeycomb.

Table Talk

This lesson is a follow up to the sermon. Please take the time this week to work through it in your community group or around your own kitchen table.

Warm Up: Identify 2 or 3 things that you learned about the bible from our message on Sunday.

1. What is your favorite book of the bible? When was the last time you read your favorite?
2. Do you read your bible daily? Identify your greatest hurdle or the most recent blessing in relation to your answer.
3. Many individuals believe the bible contains error(s). How would you respond to someone that holds this belief?
4. Can you recall when you first had contact with a bible? How have your thoughts changed about the bible since then?
5. Many people battle between science and scripture. The words of the bible are nearly 2000 years old (New Testament) or older (Old Testament). How can it be up to date, containing all a believer needs to know in his/her Christian life?

Prayer: Thank you Lord for your word. Help me love your word even more and enlighten my eyes to more of its truth. What a great blessing it is to have Your complete word in our generation and the many resources that accompany Your word. Help us to properly avail ourselves to everything that You are providing to enhance our walk with You.
