Application Questions

Is Jesus my first resort or last in dealing with the hard things of life and why?

How do I face pressure to be someone I am not? What factors create these pressures in my life?

How does confessing my personal faults or struggles to Christ draw me closer to the assurance and comfort of Christ?

Why is it too frightening to publicly acknowledge my faults? And, how can publicly acknowledging my own personal need for God be used by him as a way to draw others to himself?

Where do I struggle to believe in the authority and power that Jesus has in my life and others?

How has Jesus patiently and lovingly helped me to grow in faith in him?

Closing Prayer: Father help me today to always remember the great sacrifice of Jesus and to believe that you are for me not against me.
