I would like to take this opportunity to say the biggest thank you to all who have been praying for me and my family during my cancer journey. God is so good, all of the time. Currently I have completed 28 rounds of radiation and 8 rounds of intensive chemotherapy. For now, the treatments are over until August when they will run scans to see if the cancer is gone. Until then, summer will be enjoyed to the fullest. As hard as waiting for the scans will be, I know God is right beside me and I fully trust and have faith that it will be his will and not mine which gives me peace in this time of uncertainty. Much love to the EMMC congregation. It's less lonely when prayers are being said, even if we don't personally know each other. God Bless!!

RAWR! Daniel's story is much more than his encounter with lions! July 31- August 3rd, we are running VBS for the children of this church and the community of Altona! The fun that will be had includes science object lessons, ancient Babylonian snacks, and songs that will get your feet tapping( yes, even Mennonites can do this!) Kids going into Kindergarten to Grade 6, get ready for this four day adventure!

The fellowship committee is looking for volunteers. If you are interested please sign up at the welcome desk or church office and we will be in contact with you. If you have any questions please talk to myself and or Joanna Reimer.

Our Water bottle count has surpassed 1,200 and we thought 1,000 was a lofty amount...! It is evident that God has been working through all of you to serve this community! Please continue to pray that these water bottles would serve the physical and spiritual needs of Altona.
