PRAYER REQUESTS

Altona EMMC

Pray for this church and our community as we gear up to worship God and make disciples for the next 25 years.

We are filled with excitement for the year ahead! Please keep our wonderful volunteers in your thoughts and prayers as they dedicate themselves to preparing for an extraordinary fall ministry season.

Healing

Please keep Maverick Friesen and his parents in your prayers, as they have received news that he has nerve damage due to his treatments.

Please keep Alex Scheck and his family in your prayers as they bravely face his ongoing battle with cancer.

Please offer prayers for those facing unseen mental health challenges and illnesses. May each person find healing, strength, and the comforting assurance in Christ that they are not alone in their journey.

Community

Pray for the younger generations within our churches, and for the older generations to remain committed to nurturing strong leaders who embody Christ-like values.

Praise

Praise God for the efforts of His churches in equipping and nurturing His flock, and for continually raising up new church leaders to guide future generations.
