Question to ponder:

PRAYER REQUESTS

Altona EMMC

We kindly ask you to keep our upcoming summer ministries in your prayers. We trust that God will guide each participant, and we seek divine protection for all our leaders.

Pray for those who are organizing the 75th celebration for Altona EMMC.

Let us give thanks to God for all those who serve faithfully and consistently within our church community.

Healing

Please keep Maverick Friesen, nephew of Abe and Chantelle, in your hearts and prayers as he bravely fights cancer. His tumor has shrunk by 3mm. We ask for continued healing and strength for Maverick and support for his family.

Alex Scheck is home after his first round of chemotherapy. Please keep him and his family in your thoughts, as they have a long journey ahead.

Please offer prayers for all those who are ill and facing difficulties, and seek God's guidance and divine intervention.

Praise God for the safe arrival of Callan Groening! Let us keep Chantel Groening in our prayers as she heals, and remember their family as they transition into being a family of five.

Community

Pray for all the teachers and students preparing to conclude the school year; may they find the strength they need.

Pray for high school graduates celebrating this week. May they gain wisdom as they begin their next chapter.

Pray for children and teens attending Bible camps this summer to experience God personally.
