PRAYER REQUESTS

Altona EMMC

Pray for this church and our community as we gear up to worship God and make disciples for the next 25 years.

We are so excited for the upcoming youth year! Please lift up our amazing youth leaders in prayer as they pour their hearts into preparing for an incredible fall ministry season.

Healing

Maverick has finished radiation this past thursday, pray for healing and strength for him, as he is struggling to eat.

Alex is on his 4th round of chemo, which lasts for three weeks. Please continue to pray for him and his family.

Community

Pray for the younger generations within our churches, and for the older generations to remain committed to nurturing strong leaders who embody Christ-like values.

Let us be in prayer for the upcoming school year, as well as for the teachers and staff. May they experience God's love and guidance each day.

Praise

Praise God for our amazing summer staff who poured into the lives of children this summer—leading them in worship, walking alongside them through activities, and showing them the love of Jesus in tangible ways. Let's celebrate their dedication and lift them up in prayer as they step boldly into new adventures this fall.

Praise God for the efforts of His churches in equipping and nurturing His flock, and for continually raising up new church leaders to guide future generations.
