# PRAYER REQUESTS

## Altona EMMC

Thank God for every child who attended our summer program. Pray that God's word has touched each of their hearts and that they will continue to strengthen their relationship with Him.

Please keep in your prayers those who are coordinating the 75th celebration for Altona EMMC and enthusiastically working on the exciting rebranding efforts.

## Healing

Update on Maverick:

Our brave Maverick has successfully made it through his surgery. The skilled medical team was able to remove the tumor, along with a portion of his stomach and kidney to which it was attached. We ask for your heartfelt prayers for his healing journey, and hope that the upcoming radiation sessions will proceed smoothly.

Alex has begun his third round of chemotherapy; please continue to keep him and his family in your prayers.

Condolences go out to Charles & Jen Klippensten and Lyn & Jen Dyck as their family member, Sally Funk passed away this week.

## Community

Pray for the younger generations of our churches, and that the older generations will continue to work diligently to raise up good leaders to live Christ-like lives.

## Praise

Praise God for his unchanging nature. Though seasons like summer come and go, He is eternal and the same.

Praise God for how His churches are working to equip and nurture His flock, and continually raise up new church leaders for future generations.
