PRAYER REQUESTS

Altona EMMC

Let us lift up our pastors, staff, leadership, and deacons in prayer, recognizing that the enemy frequently seeks to undermine those who guide our churches. Pray that each of these individuals remains steadfast in God's word and not swayed by the adversary's influence.

Healing

Please pray for Richard and Wanda and family as they continue on their cancer journey.

Please keep Daryl Dueck and his cardiologist in your thoughts and prayers as they continue their efforts to enhance his health.

Pray for John Bergman as he is currently receiving treatment in HSC, so let us pray for divine guidance for his medical team and strength for his family during this challenging time. May he find healing and comfort.

Missions

Please keep all our missionaries in your prayers as they carry out God's work, no matter where they may be.

Community

Pray for our local communities—its people, leaders, schools, and needs.

Please remember to keep in your thoughts those who do not know Jesus. Pray for them to find their way to the Lord and to learn to love and seek Him.

World

Let us pray for an end to violence and for the safety of civilians in areas impacted by conflict and turmoil, including Ukraine, the Gaza Strip, and Sudan.
