PRAYER REQUESTS

Altona EMMC

Let's unite in prayer for our church leaders, recognizing the challenges they face. May they remain strong in their faith and resilient against opposition.

Please remember our upcoming summer ministries in your prayers. We have faith that each participant will be led by God, and we request divine protection for all our leaders.

Healing

Alex Scheck is currently at home, and finished his first round of Chemo. He remains in good spirits, and we ask you to keep him and his family in your prayers, as this will be a lengthy journey.

Please keep Nettie Dueck in your thoughts and prayers following her recent fall, which has led to an infection in her leg. Pray for her healing and strength as she undergoes daily IV treatments.

May we offer prayers for healing to everyone facing challenges, whether they're dealing with mental health issues, cancer, or any other illness. May they be surrounded by God's love and strength in their toughest times.

Community

Let's rally behind our local communities—supporting the individuals, leaders, schools, and addressing their needs.

Remember those who have yet to meet Jesus. Offer your prayers for them to find and embrace His presence.

Pray for wisdom, discernment, encouragement, healing, prophecy, and service to strengthen the church.
