PRAYER REQUESTS

Healing

Please pray for Richard and Wanda and family as they continue on their cancer journey.

Please pray for Daryl Dueck and his heart, as it's working at less than half of what it should be, since the extreme infection took over his body last year after hip surgery.

Please pray for the Cardiology Dr's as they continue work with him to try and get the heart to a better place.

Please pray for June Voth, as she is in hospital, pray for healing and that homecare can get lined up so she can come home.

Rebrand Conversation

Pray for everyone engaged in the rebranding discussions, that their efforts may reflect God's glory.

Missions

Please keep Jennifer Klippenstein in your thoughts and prayers as she travels with Seeds of Hope to Zambia. Pray for her health, asking that she remains well both before and during her trip.

Prayer for those who are waiting on God right now. Waiting for answers. That the joy of knowing Jesus would sustain them..
