PRAYER REQUESTS

Please pray for Richard and Wanda and family as Richard has recently been diagnosed with prostate cancer. The specialist says it is very treatable. They are currently waiting for one more test which will determine the treatment. Please pray that this can all happen soon, and pray for peace during the times of waiting.

Praise God for continual forgiveness and grace. Pray that each of us will not take advantage of this blessing, but use it to continue growing as Christ's disciples, and not live in regret or guilt.

Pray that God will help guide the decisions of our society's leaders for the betterment of the world.
