PRAYER REQUESTS

Altona EMMC

We graciously request that you keep our upcoming summer ministries in your thoughts and prayers. We have faith that God will guide every participant, and we seek divine protection for all our leaders.

Please keep in your thoughts those who are coordinating the 75th celebration for Altona EMMC and working on the rebranding efforts.

Let us give thanks to God for all those who serve faithfully and consistently within our church community.

Healing

Let us all keep Maverick Friesen in our thoughts and prayers during this time. We remain hopeful as positive developments emerge. Surgery is set for July 13 or 14. The tumor has notably shrunk, making it nearly undetectable. We express our gratitude to God for this healing.

Alex is set to complete his second round of chemotherapy on June 28. A biopsy is scheduled for June 30, followed by a telehealth appointment on July 8. – Thank you for your prayers.

Please offer heartfelt prayers for all those who are suffering from illness and facing difficult times, and seek God's comforting guidance and divine intervention.

Community

Pray for all the teachers, students, and families as they prepare to conclude the school year and get ready for summer; may they find the strength they need.

Pray for high school graduates celebrating this week. May they gain wisdom as they begin their next chapter.

Pray for children and teens attending Bible camps this summer to experience God personally.
