PRAYER REQUESTS

Altona EMMC

We kindly ask you to keep our upcoming summer ministries in your prayers. We trust that God will guide each participant, and we seek divine protection for all our leaders.

Pray for those who are organizing the 75th celebration for Altona EMMC.

Let us give thanks to God for all those who serve faithfully and consistently within our church community.

Healing

Please hold Maverick Friesen, the nephew of Abe and Chantelle, close in your hearts and prayers as he courageously fights cancer. On June 5, 2026, he began his chemotherapy journey at Children's Hospital in Winnipeg. We earnestly ask for healing and strength for Maverick and unwavering support for his family during this profoundly challenging time.

Alex Scheck is home after his first round of chemotherapy. Please keep him and his family in your thoughts, as they have a long journey ahead.

Please offer prayers for all those who are ill and facing difficulties, and seek God's guidance and divine intervention.

Community

Let's unite in support of our local communities by backing the individuals, leaders, and schools while addressing their needs.

Remember those who have not yet encountered Jesus. Keep them in your thoughts and prayers, that they may discover and embrace His presence.

Pray for children and teens who will be attending Bible camps this summer, and that they will experience God in a deep and personal way.
