Question to ponder:

What am I consuming daily that enriches life? What am I consuming that diminishes life?

PRAYER REQUESTS

We as a family would like to thank everyone for their support and encouragement during the loss of our daughter Crystal through prayers, phone calls, texts, visits, cards, flowers and an abundance of food that was brought to our home. We have felt so overwhelmed with kindness and care shown to us during this difficult time. You have all been a blessing to us. Thank you to Pastor Jeff Krahn for officiating the service as well to all those who contributed in any way. God Bless you all.

Sue & Menno Giesbrecht & Family

Please pray for Richard and Wanda and family as Richard has recently been diagnosed with prostate cancer. The specialist says it is very treatable. They are currently waiting for one more test which will determine the treatment. Please pray that this can all happen soon, and pray for peace during the times of waiting.
