PRAYER REQUESTS

Altona EMMC

Please pray for Altona EMMC as we celebrate our 75th anniversary this summer. We praise God for our rich history within the EMMC and the significant impact we've had on our community and beyond.

Healing

Maverick has shown incredible bravery, starting radiation on August 4, 2026, and doing wonderfully with chemotherapy since July 31, 2026. Let's keep Maverick in our prayers, hoping for strength and resilience as they embark on the next 33 weeks of treatment. We also extend our heartfelt support to John and Helena, as they courageously navigate the months ahead and plan for their future. Together, we believe in brighter days and the power of unwavering hope.

Alex has begun his third round of chemotherapy; please continue to keep him and his family in your prayers.

Community

Pray for the younger generations of our churches, and that the older generations will continue to work diligently to raise up good leaders to live Christ-like lives.

Praise

Praise God for his unchanging nature. Though seasons like summer come and go, He is eternal and the same.

Praise God for how His churches are working to equip and nurture His flock, and continually raise up new church leaders for future generations.
