PRAYER REQUESTS

Altona EMMC

Let's unite in prayer for our church leaders, recognizing the challenges they face. May they remain strong in their faith and resilient against opposition.

Please remember our upcoming summer ministries in your prayers. We have faith that each participant will be led by God, and we request divine protection for all our leaders.

Healing

We kindly ask you to keep Maverick Friesen, the nephew of Abe and Chantelle Friesen, in your thoughts and prayers as he faces a cancer diagnosis. He started chemo on June 5, 2026 at Children's Hospital in Winnipeg. We seek healing and strength for Maverick, along with support for his family during this difficult time.

Alex Scheck is currently at home, and finished his first round of Chemo. He remains in good spirits, and we ask you to keep him and his family in your prayers, as this will be a lengthy journey.

Community

Let's rally behind our local communities—supporting the individuals, leaders, schools, and addressing their needs.

Remember those who have yet to meet Jesus. Offer your prayers for them to find and embrace His presence.

Pray for wisdom, discernment, encouragement, healing, prophecy, and service to strengthen the church.
