PRAYER REQUESTS

Altona EMMC

Continue to keep Altona EMMC in your prayers as we approach the final months of 2026. Pray that the necessary funds will come in to help us meet our budget.

Keep church leadership in your prayers, that they may embody uplifting values for others to follow.

Pray for Pastor Jeff and our devoted youth leaders in your prayers as they illuminate the paths of the young souls in Altona.

Healing

Hold Alex Scheck in your prayers as he awaits a stem cell transplant and perseveres through chemotherapy. Let us rally around him and his family, offering our support during this trying chapter.

Please hold Maverick Friesen in your thoughts and prayers. He has recently completed five consecutive days of chemotherapy. Additionally, continue to pray for his recovery from the muscle loss he has faced due to one of his treatments.

Pray for Abe Dyck, who has recently had surgery to remove a blockage in his artery and is scheduled for a biopsy. Please keep Lora and the entire family in your thoughts and prayers.

Community

Pray that God protects everyone working with kids and their mental health – that they will be refreshed and restored, full of energy and joy.

Pray for everyone living in Altona and the surrounding area; may they experience and feel God's love within the community.

Praise

We give thanks to God for every one of our volunteers and are truly grateful for the roles you hold.
