

Revival In the Midst of Tribulation Revelation 7 & 14

Introduction: This morning we're going to look at one of the greatest spiritual awakenings the world has ever seen. A revival of such huge proportions that millions of people will be saved. This revival will take place through the ministry of 144,000 set-apart evangelists who will preach the gospel of Christ to the entire world during the tribulation period resulting in people from all nations, peoples and tongues receiving Christ. In this morning's message I want to look at a special group of 144,000 who have been sealed and set apart by God for this special mission. We'll look at who they are, how they are saved, and how God uses them during the most terrible period in human history.
