And every prayer we prayed in desperation.

*And every prayer we prayed in desperation.
The songs of faith we sang through doubt and fear*

*And every prayer we prayed in desperation.
The songs of faith we sang through doubt and fear
In the end, we'll see that it was worth it...*

*And every prayer we prayed in desperation.
The songs of faith we sang through doubt and fear
In the end, we'll see that it was worth it...
When He returns to wipe away our tears*

*And every prayer we prayed in desperation.
The songs of faith we sang through doubt and fear
In the end, we'll see that it was worth it...
When He returns to wipe away our tears*

Oh, there will be a day when all will bow before Him...

And every prayer we prayed in desperation.

The songs of faith we sang through doubt and fear

In the end, we'll see that it was worth it...

When He returns to wipe away our tears

Oh, there will be a day when all will bow before Him...

There will be a day when death will be no more

*And every prayer we prayed in desperation.
The songs of faith we sang through doubt and fear
In the end, we'll see that it was worth it...
When He returns to wipe away our tears*

*Oh, there will be a day when all will bow before Him...
There will be a day when death will be no more
Standing face to face with He who died and rose again...*

*And every prayer we prayed in desperation.
The songs of faith we sang through doubt and fear
In the end, we'll see that it was worth it...
When He returns to wipe away our tears*

*Oh, there will be a day when all will bow before Him...
There will be a day when death will be no more
Standing face to face with He who died and rose again...
Holy, holy is the Lord*
