

Jesus is our Savior and great is He that we praise! We rest on truth as we serve a Savior that sees us, that loves us and guides us. You have been faithful this week glorifying Him where you are with your thoughts, your work and your praise. Your Savior has used you this week to show the world what a servant looks like. He has given you gifts for a reason. The reason is for you to use them. We should ask ourselves everyday – are we using our gifts for Him? He has given you a calling. Are you following your calling? It is a wonderful life, no matter the circumstances, when we are focused on using our gifts and circumstances for Him!

Jesus tells us to always be ready for His coming. A readiness allows us to live like we are not tied to the physical world. Readiness ties us to the spiritual world. Readiness gives us an urgency to tell the lost about our Savior - the Prince of Peace! Readiness allows us to serve Him with joy, hope and excitement. May we all live like we are ready for His return! The believer knows each day is a process to grow closer to Him and to look more like Him – the process of sanctification. We look to His Word, the Holy Spirit, and His Church everyday, all day for this growth – and the growth will come.

Sunday morning will be a time of great worship and celebration! The worship team will lead us towards Him in song. Saints will be in prayer in the prayer room. Saints will sit under the hearing of God's Holy Word. We will all be encouraged by one another. Read and reread Scripture. Read and reflect on Luke Chapter 12:35-59. Prepare for the message God has for you from His Word. God has a message for you – listen. Are you ready for His return? Come and gather Sunday ready and expectant for the Holy Spirit, God's Word, and God's people to have a transformative effect on your life.

The week's activities around the building will continue with the men's and women's Bible Studies on Tuesday morning. These times are so special. Plan to attend. Wednesday evening will have worship, prayer, Bible study and fellowship for everyone. Plan to attend. The body needs you to bring a blessing only you can bring!

God will continue to bless you as you take the Church to the World.
