

It's Really Obvious...

SCRIPTURE 1 John 3:10-18

BIG Idea: It's obvious... Christians love others.

What is love?

"We know love (agape) by this, that He laid down His life for us." (1 John 3:16)

"Agape": the love that is from God most clearly demonstrated by Jesus' sacrifice; empathetic, universal, does not come naturally. (Rom 5:5; 1 Cor. 13:4-8; Gal. 5:22)

Don't confuse agape love with "like".

Don't confuse agape love with "personality" or "spiritual gifting".

Don't confuse agape love with sentiment...it's a force in a war.
