

THE EXODUS

Love Your Neighbor | Alex Falder | March 3, 2024

BIG Idea: We need a new heart.

Exodus 20:12-18

- Image bearing and breaking the relationship
- The 5th Commandment supports the first 4 and the 10th supports Commandments 6-9
 - # 5: Honor your father and mother
 - # 6: Don't murder
 - # 7: Don't commit adultery
 - # 8: Don't steal
 - # 9: Don't bear false witness
 - #10: Don't covet your neighbor's _____
- Heart of Stone or Heart of Flesh

Use the 10 commandments as a mirror to examine your heart.

- How are you loving God and others these days? Any broken relationships that need to be repaired?
- Do you have a heart full of love or is it cold and hard?
- Do you need a new heart?
