

KINGS

Saul – the King who fell through the cracks

THE BIG IDEA:

Things were going well... (1 Samuel 9:1-2; 1 Samuel 10:6-10;11)

...then cracks in the rails. (1 Samuel 13; 14:24-45; 15; 16:14; 18; 22:16-19; 28)

Can you learn from a trainwreck? Are you still sensitive to God's word? How do you look on the inside compared to the outside? Is it hard for you to celebrate others (jealousy)? Are you about your own image or God's image in you? Is fear dictating what you do or don't do? Are you impatient with God? Are you a good follower? Do you seek wisdom from good places? Where do you turn to in a crisis or when life gets dark? Are there any of God's commandments you treat as suggestions? Is your heart humble before God?
