

“HASN'T SCIENCE DISPROVED CHRISTIANITY?”

Vern Streeeter | April 18, 2021

BIG ACTION: Science is great; Science is limited; Science and Christianity should give each other a hug!

I. Science *is* Christian!

II. So what happened?

- Galileo
- Bad Bible Interpretation (1 Samuel 2:8, Job 37:2-3, Mark 4:31, Psalm 50:1)
- The Biggie: Origins, Evolution, and the Age of the Earth (Genesis 1-2)
- “Climate Denial” and “Vaccine refusal.”

III. What science can and cannot do...

IV. What *you* can and cannot do... 🤖
